

*The Dalton Cardiovascular Research Center*  
*announces the*  
*Inaugural Franklin Lecture*

Friday, September 12th, 2008

Acuff Auditorium, Medical Science Building

1:00 pm

**Guest Speaker**

*Stephen F. Vatner, M.D.,*

**Chair, Department of Cell Biology & Molecular Medicine &  
Director, Cardiovascular Research Institute UMDNJ-NJ Medical School**

A dinner to commemorate the Inaugural Franklin Lecture is being planned for Thursday, September 11th, details to be announced. Guest speaker is **Saxon White, M.D.** Professor Emeritus, School of Biomedical Sciences, University of Newcastle, Australia

**Professor Dean Franklin** served as the Director of the Dalton Cardiovascular Research Center from 1980 to 1990. To honor his years of service to Dalton and the University of Missouri, family and friends have established an endowed fund at the University in memory of Professor Franklin. The fund will provide recurring funding to support an **ANNUAL FRANKLIN LECTURE**.
